

Setting up your printer to print the invites:

- 1: Click 'File' then 'Print setup' and select 'A4' from the drop down box
- 2: Click 'File', then 'Print' (a new dialogue box will open)
- 3: Under 'Print Range' select page 2 by clicking 'Pages' and typing the number 2 in the box
- 4: Under 'Page handling' select 'Page scaling' and choose 'Fit to printable area' from the under drop down box
- 5: Don't worry the watermark is not printed on the invites, it is just to stop naughty people borrowing the file for their own use.
