- ALL HAND HELD TOYS MUST BE KEPT ON THE CARPETED AREA (INCLUDING THE SENSORY ROOM) AND NOT TAKEN ONTO THE SOFTPLAY MATS.
- PLEASE KEEP ACCESS IN AND OUT OF THE AREAS SAFE BY NOT PLAYING TOO CLOSE TO THEM.
- NO SHARP OBJECTS INCLUDING KEYS, SHARP JEWELLERY TO BE TAKEN INTO THE SOFT PLAY AREA, SENSORY ROOM, CORNER SEATING. WE HAVE PROVIDED A WALL UNIT WHICH IS BELOW THE CCTV SCREEN IN THE CARPETED AREA.
- PLEASE PAY PARTICULAR ATTENTION TO YOUNG CHILDREN OR THOSE INDIVIDUALS LESS ABLE WHEN ON TOP OF THE CABIN IN THE SOFT PLAY AREA.

The very nature of children's play is to take risks which in turn the child gains experience, with this new experience comes new emotions and a sense of achievement. Children have a limited sense of danger and thus with the help and guidance from their parents/guardians/carers can reach new levels of confidence.

This is an ethos we believe in at the *Safe Play Centre*.

Growth and confidence gained through experience giving a sense of achievement.
